

FOR YOUR INFORMATION

Dress Code: Both school and casual dress must be tasteful and reasonably conservative. Contemporary styles are acceptable, as long as they are not extreme. All clothing must be in good condition (no holes, tears, or stains). Clothing with lettering or pictorial displays must be in good taste and should not tend to identify the patient with any negative group or theme.

Bath towels should be standard size only. No body or beach towels. Shorts must have a four inch inseam, but not below the top of the knee. Skirts must be a modest length.
- Clothing will be marked and inventoried by our Inventory staff at the time a student enrolls, or as new replacement items are received.
- Appropriate winter clothing would include socks, hats, gloves, warm coats/jackets, moon boots or water repellent type boots.

Note: Because sizes change rapidly during adolescence, it is not recommended that you buy new clothes at the time of enrollment. You will be notified when there is a need for additional clothing, with the appropriate sizes indicated. No oversize clothing is allowed. Many of the major department stores (Old Navy, Sears, JC Penney, K-Mart) are very good about exchanges if you wish to leave a note with the clothing to have them tried on before marking and directions about exchanging them or returning them to you.
